

# Moffat County Fair Honorary Volunteers

## The Villard Family

The Moffat County Fair has chosen the Villard Family for the 2023 honorary volunteers. Kevin, Tammy, Megan, Allie, and Emma were easy choices to receive this honor.

Kevin and Tammy were both raised in Craig and their roots run deep here. Kevin was born straight into the ag lifestyle and grew up ranching in the sheep industry. Tammy, on the other hand, grew up as a town kid (as much as you can in Craig) and never got into the agriculture lifestyle until she fell in love with Kevin and his Western way of life.

They were married in 1996 and soon had three beautiful daughters, Megan, Allie, and Emma. They raised these girls right and shared their love for livestock with them as they have shown lambs and other projects in the Moffat County Fair through the years.

Tammy has been a very active Fair Board member for five years. One of the many things that makes Tammy so great on the Fair Board is you get her, but you also get her special family with her. Some people volunteer to make themselves look good or to be able to say I was part of making this event. The Villard family is nothing like that, no matter what needs to be done or when it needs to be done, the whole family jumps in and handles it.

Tammy mentioned that her favorite part of the fair is that the whole ag community comes together for a week and drops everything they're doing to attend. That made me chuckle because that's just like the Villard family, no matter what's going on through fair week they're willing to drop whatever they are doing and help out with any task (even Bingo).

The Moffat County Fair Board would like to give you a heartfelt thank you and, as we said, it was an easy decision to select your family as the 2023 Honorary Volunteers.
